WINEMAKING

Barone Fini leverages winemaking practices in a manner as natural as possible and with little human interference. All of the fruit for Barone Fini is sourced from old vines and is hand harvested to ensure that only the best fruit is used.

Vinified in an ultra-modern winery located atop the ruins of an ancient Roman winery, Barone Fini adheres to the highest standards of production.

TASTING NOTES

Opening citrus notes evolve into juicy flavors of warm ripe apples and lychee, concluding in tones of mountain herbs and flowers. Bright acidity balanced with minerality create a rich, clean finish.

FOOD PAIRING

This Pinot Grigio pairs perfectly with delicate seafood, salads, chicken, and pasta, but its crisp, balanced acidity partners well with heavy sauces and strong flavors.
