TASTE PROFILE

Enza is produced and bottled in small batches ensuring quality and fresh product in every bottle. Just the right balance of acidity and sugar turn this wine into a delicate sparkling wine. The bouquet bursts with fruity scents of pear and green apples with a lightly floral and citrus note. In the mouth, this wine exhibits the same characteristics as in the bouquet highlighted with a touch of peach and honeysuckle.

FOOD PAIRINGS

Ideal for an aperitif or during Sunday brunch. The light refreshing quality with the balance of acidity make it extremely food friendly to go with almost any meal.
