HOW WE MAKE IT
[yellow tail] Merlot is made with grapes sourced from the highest quality vineyards. Once the grapes are crushed and stems removed, they are fermented on skins in contact with oak. Temperature controlled fermentation ensures maximum varietal flavor, color and tannin extraction.

AROMA
[yellow tail] Merlot has soft aromas of ripe plums, mulberries and spice.

FLAVOR
Fresh and juicy flavors of sweet plums complement the chocolate and spice aroma with hints of aniseed coming from the careful integration of oak. It finishes soft, rich and simply delicious.

ENJOY
With antipasto, good times and great friends.
