**MOSCATO**

Here at [yellow tail], we know that great quality wine can be affordable and good fun too. We like our wines to be vibrant, flavorsome and approachable, making everyday moments even more enjoyable.

**THE WINE**
The light, perky fizz is what makes [yellow tail] Moscato just that bit special. Freshness is key and this wine has it in spades. The bright fruit flavors and soft palate make this wine a favorite but the real hero is the delicate ‘frizzante’ bubbles. A big win.

**HOW WE MAKE IT**
[yellow tail] Moscato is made with grapes sourced from the highest quality vineyards. The fruit is harvested in the cool of night to retain maximum freshness and flavor. Free run juice and light pressings are used to ensure softness on the palate. Once completed, the wine is cold stabilized and cold filtered to preserve rich aromas and freshness. The wine is blended and a high grape juice concentrate is added to reduce alcohol.

**AROMA**
[yellow tail] Moscato is full of natural sweetness. It displays bright fruit aromas of freshly crushed grapes, peach and passionfruit with a hint of sweetness.

**FLAVOR**
This wine has a light fizz that tingles in your mouth highlighting lively tropical fruit flavors and a crisp acidity.

**ENJOY**
Chilled as an aperitif and with summer salads.
