SHIRAZ GRENACHE

Here at [yellow tail], we know that great quality wine can be affordable and good fun too. We like our wines to be vibrant, flavorsome and approachable, making everyday moments even more enjoyable.

THE WINE
Combining two red grapes and making them get along isn't always easy. Sometimes the two fight, and that's when problems arise. Luckily, Shiraz and Grenache were made for each other. Soft, perfumed Grenache loves hanging out with the boldly flavored, spicy Shiraz. The finished wine is savory but full of pure red fruits.

HOW WE MAKE IT
[yellow tail] Shiraz Grenache is made with grapes sourced from the highest quality vineyards. Once the grapes are pressed, they are fermented on skins in contact with oak. Temperatures are kept high to ensure maximum color and tannin extraction.

AROMA
The delicious combination of Shiraz and Grenache results in a lifted and spicy aroma with cherry, blackberry and raspberry fruits.

FLAVOR
A deep red/purple in color, layers of soft and juicy red berry fruit wrap around chocolate and spice. The savory fine tannin completes this great combination with a rich and lingering finish.

ENJOY
With hearty beef stew or at a party.
