Clos de los Siete

2013 Uco Valley

The 2013 Clos de los Siete, from a cool and late vintage, could very well be the freshest wine produced at this address so far. This blend from the different producers associated with the brand ended up being 53% Malbec, 23% Merlot, 12% Cabernet Sauvignon, 8% Syrah and 4% Petit Verdot from different vineyards in Vista Flores. Seventy percent of the wine matured in French barriques for 11 months. There is a great sense of harmony, combining ripe fruit, flowers and spices in a subtle and elegant way. The palate is ultra polished, with very good balance and freshness, really easy to drink.

- LG 12/1
