BACKGROUND

The finest ingredients produce the finest wines. That's still the philosophy at Ramón Bilbao, where carefully crafted grapes are selected from the best estates and vineyards in the idyllic region of Haro in Rioja Alta since 1924. Maintaining tradition is the guiding philosophy of today's Ramón Bilbao, where winemakers produce award-winning wines that embody a modern consumer-friendly style.

The grapes for the 2015 Limited Edition come from old vineyards around Haro, where the Ramón Bilbao winery is based. The wine is the result of an exhaustive selection of the best grapes and barricas. Each bottle is numbered and the wine is unfiltered.

WINEMAKING

The best clusters were chosen for this wine, and after maceration, the grapes were fermented in French oak casks. After seven days of post-fermentation maceration, the wine was aged in smaller French oak barrels.

VINTAGE NOTES

The 2015 vintage was one of the earliest in recent decades. A cold winter with steady rain provided enough water for the entire year. The spring was cool, which helped flowering and allowed high quality clusters to develop. A hot summer followed by a rainy fall enabled the grapes to finish ripening early and led to an early harvest with highly concentrated fruit.

TASTING NOTES

Intense ruby red in color. Notes of ripe black grapes with hints of black pepper, cloves, and chocolate due to aging in French oak casks. Smooth, fruity mouth-feel with a long finish and pleasant, round tannins.
