2017 CHARDONNAY

My grandfather would always tell me, "great wine starts with finding the ideal vineyard site," which is a lot easier said than done. I walked a lot of vineyards before finding Skyfall, named for the giant boulders scattered among the vines that look like they fell from the sky. Our Chardonnay is rich and round with apple and toasted almond flavors leading to a finish of lemon and crème brûlée. Enjoy it at Skyfall hour, that time of day when obligation ends and freedom begins.
