

★ SKYFALL ☾

VINEYARD

RIESLING

2017

Background

Skyfall Vineyard is named for the massive car-sized boulders scattered among the vines that literally look like they fell from the sky. These boulders were brought by Missoula glacial floods of the last Ice Age that cut the Columbia River. Floods deposited silt loam soils now layered with ancient volcanic ash. The complexity of these soils is ideal for cultivating optimal flavors in the grapes, making Skyfall a perfect vineyard site.

Appellation

Columbia Valley, WA

Sourcing

98% Yakima Valley (Canyon Vineyard Ranch, Willard, Willow Crest) 2% Horse Heaven Hills (Alder Ridge)

Varietal Composition

93% Riesling, 7% Pinot Gris

Winemaking

The grapes were picked at the peak of ripeness during the early morning hours to preserve maximum fruit expression. The fruit was then immediately crushed and sent to tank to chill prior to yeast inoculation. The wines were fermented slowly over 2 weeks at around 55°F. Throughout the winemaking process the wines were kept in a near zero oxygen environment to preserve the color and intense fruit aromas.

Tasting Notes

Aromas of nectarine, white peach and honey weave together elegantly. Flavors of stone fruit blossoms, lemon grass and tangerine lead to a balance of sugars and elegant acidity.

Technical Data

pH 3.25
TA 7.35 g/L
RS 24 g/L
Alc. 12%
