PINOT GRIS

My grandfather would always tell me, “great wine starts with finding the ideal vineyard site,” which is a lot easier said than done. I walked a lot of vineyards before finding Skyfall, named for the giant boulders scattered among the vines that look like they fell from the sky. Our Pinot Gris displays a medley of tropical fruit that unfolds into tangerine, mango and grapefruit flavors, which continue throughout the lingering finish. Enjoy it at Skyfall hour, that time of day when obligation ends and freedom begins.
