RIESLING

My grandfather would always tell me, "great wine starts with finding the ideal vineyard site," which is a lot easier said than done. I walked a lot of vineyards before finding Skyfall, named for the giant boulders scattered among the vines that look like they fell from the sky. Our Riesling is crisp and refreshing with a hint of sweetness and flavors of apricot, tangerine and lemon. Enjoy it at Skyfall hour, that time of day when obligation ends and freedom begins.
