

MASTERSON'S

*Bat Masterson may have been
a gambler, but he would've
never taken risks with
the quality of his whiskey*

Crafted in small batches by whiskey-loving artisans, Masterson's is a 100% rye whiskey that incorporates only the most fragrant and plump grains of rye, glacial water from the northern Rockies, a traditional pot still and a 10-year, oak aging process. The result, a remarkable whiskey with a trace of pepper and spice, along with a subtle sweetness.
