**WINEMAKING PHILOSOPHY**
Josh Cellars is a negociant brand, so we don't own a winery or any vineyards, much like some of the world’s greatest chateaux in Bordeaux & Burgundy. We do, however, work with California’s best growers to build a superior wine blend. Our winemaker spent over a decade making sparkling wine at one of the world’s largest and most prestigious champagne houses, where blending distinct lots is essential to making great wine. Those experiences make him uniquely qualified to source and assemble wine blends of great character and complexity, in the signature Josh Cellars style: fruit-forward and rich, with approachable tannins and a long finish.

**PROFILE**
The bouquet bursts with intense dark fruits, cinnamon, clove and subtle oak aromas. The palate is dominated by flavors of black cherries and juicy blackberries, accented by delicate vanilla flavors and toasty oak and finishing long with round, soft tannins.

**SUGGESTED FOOD PAIRINGS**
The complex flavor of this wine complements just about any well-seasoned meat such as beef, pork, or lamb, followed by an indulgent dessert or espresso.
