WINEMAKING PHILOSOPHY
Josh Cellars is a negociant brand, so we don't own a winery or any vineyards, much like some of the world’s greatest chateaux in Bordeaux & Burgundy. We do, however, work with California’s best growers to build a superior wine blend. Our winemaker spent over a decade making sparkling wine at one of the world’s largest and most prestigious champagne houses, where blending distinct lots is essential to making great wine. Those experiences make him uniquely qualified to source and assemble wine blends of great character and complexity, in the signature Josh Cellars style: fruit-forward and rich, with approachable tannins and a long finish.

PROFILE
The nose is bright with aromas of fresh strawberries, white flowers and stone fruits. On the palate, the wine is light bodied, dry, and burst with citrus, white peach and strawberries, finishing with a crisp, mouthwatering citrus flavor.

SUGGESTED FOOD PAIRINGS
Pair this crisp rose with summer appetizers and light meals like goat cheese crostini, vegetable crudités, and chilled seafood like shrimp cocktail and oysters.
