VALLE DE UCO · MENDOZA

Clos de los Siete is an oasis comprised of seven vineyards in the foothills of the Andes, south of Mendoza. Managed by Michel Rolland, Clos de los Siete is a venture bringing together a team of men and women who share a passion for wine and for Argentina. Clos de los Siete benefits from their extensive knowledge and their commitment to create a truly great Argentinian wine. Particular care has been taken with the viticulture, vinification and maturation so as to obtain the essence of this rich terroir and the noble varieties where Malbec rules.

A new star is born: with seven points and symbolising ambition and conviction.
