# MASTERTON'S

*But Masterton may have been  
a gambler, but he would've  
never taken risks with  
the quality of his whiskey*

Crafted in small batches by whiskey-loving artisans, Masterton's is a 100% rye whiskey that incorporates only the most fragrant and plump grains of rye, glacial water from the northern Rockies, a traditional pot still and a 10-year, oak aging process. The result, a remarkable whiskey with a trace of pepper and spice, along with a subtle sweetness.
