Josh Cellars Reserve Facts

- Josh Cellars Reserve was founded by Joseph Carr, a onetime sommelier, negociant, and vintner. Inspired by his dad's work ethic and commitment to high standards, Josh Cellars Reserve is a collection of fine, appellated wines sourced from select vineyards throughout California's winemaking regions.
- Josh Cellars Reserve offers balanced, delicious wines that are true to the varietal and the appellation where the grapes are grown. The style is fruit-forward and approachable to complement delicious food and great company.
- Our winemaker is Wayne Donaldson, who brings decades of experience at crafting outstanding wines. Over his career, Wayne's wines have won numerous 90+ scores from magazines including *Robert Parker's Wine Advocate* and *Wine Spectator*. His wealth of experience and knowledge ensures that Josh Cellars Reserve wines are complex, balanced, varietally true and show off the best of their appellation.
